The image shows the front cover of an antique book. The cover is decorated with a traditional marbled paper pattern, specifically a 'stone' or 'shell' pattern. This pattern consists of irregular, rounded shapes in shades of brown, tan, and yellow, set against a dark, almost black background. The shapes resemble natural stone or biological cells. A central, rectangular label is pasted onto the cover, containing the title 'Census Roll, 1858.' written in a cursive hand. The book's spine is visible on the left, showing a dark, worn binding. There are some signs of age and wear, including a small white stain near the bottom center and a thin white line near the top right corner.

Census Roll, 1858.
