

Copy of a letter of S. H. Culver, In^d Agent, - the
original sent to Washington.

Fort Lane. July 25th 1854

Dear Sir

Mr Huddleston will start to the Wallamette
day after tomorrow morning. I have settled
with him and the boys. Mr H. has the blank
Vouchers signed by both boys for their pay to the
30th June. I could only tell them that I thought
you must have me^a treaty money & could pay him
as soon as he arrived there. I have settled with & paid
them for all time that time (30th June) as Mr H. will
explain. I will also let Mr H. have a horse, saddle
and bridles to go down with, which he will deliver
to you,

Morning, 26th. I have this moment rec^d. news by
express, that ~~an~~ ^{an} Indian was killed night before last
at Gallean Creek by a white man - and in five minutes
will start for Jacksonvill - also will start tonight, or
early in the morning, for Gallean.

I will send my return
by Mr Huddleston, I will also put into the same package
a letter for my brother, please send it to him as soon
as possible. I will say that it contains my annual
Report. I have asked him to look it over, and rewrite,
for I have not had time to make it even decent.

In case he (my brother) should chance to be absent,
please open it, & if possible get Mr Geary to do so, I
would be glad to award him.

In haste,
(Signed) S. H. Culver,
In^d Agent
