In reference to the 1st item it is presumed
they wish the owner who is captain of the ship to
sign for the master. As the owners of the Chesb
Deneus could not you sign the receipt, - for the
2 item wharfage at Portland \$15.50, it will be
necessary to have a receipt, so also with the 5th & 6
items - The 7 item wharfage at Oregon City - was
it your own drays? if so, you can sign the
receipt, if not procure the receipt of drayman
The 8 item can be explained you being the owner

of the warehouse - do not a proper receipt for
the lot of 5th 6th 7th of us is all that is lacking -

It is really annoying to be called upon
one and a half years after the transaction for additional

specifications, but the critical amount will stand
suspended until these requirements are complied with

and if need be I'll give you advice at this late date to
avoid any further complications or procedures on all of the

branches for the attached invoice of all the
