

Corvallis Gazette-Times

Wildlife Federation

Sessions Start Friday

Dec. 5, 1939 884

The annual session of the Oregon Wildlife federation will begin with registration Friday morning at 8:30 o'clock on the college campus. President George W. Peavy will welcome wildlife conservationists at the opening session at 9:30 o'clock.

Talks and discussions on stream pollution, roadside beautification, the native oyster in Oregon and upland game birds in the Willamette valley will be included in Friday morning's program.

A discussion of the dams on the Willamette river and probable effect on wildlife will be given Friday afternoon by H. A. Rands, U. S. army engineer representing the Willamette valley basin commission; C. D. Stringer, ex-senator, and William L. Finley, vice president of the American Wildlife federation.

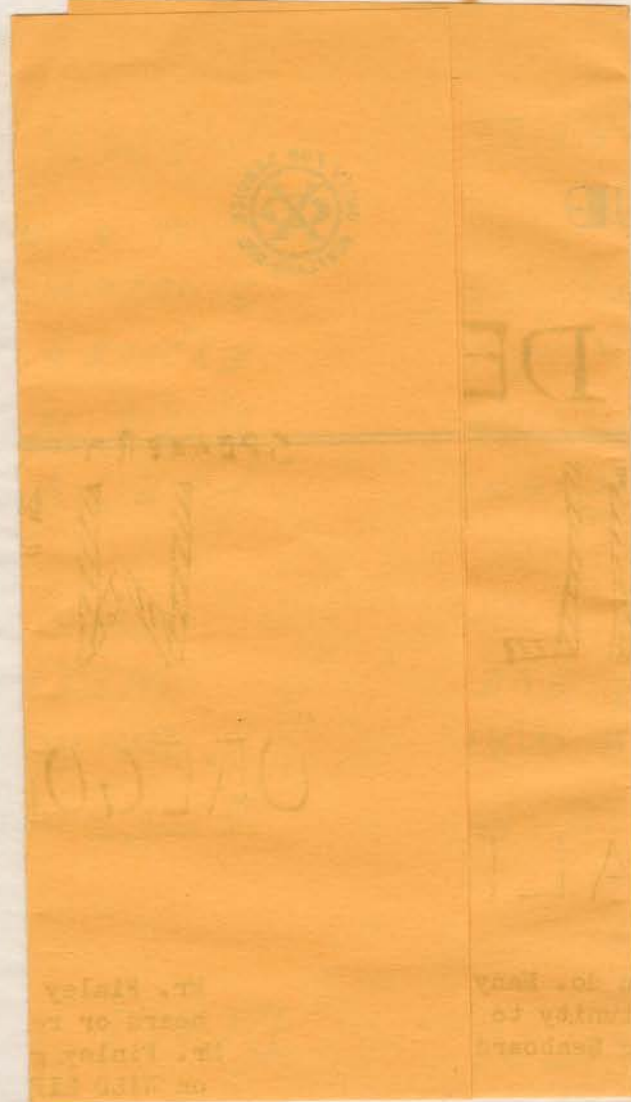

Talks at the banquet Friday night will be given by Paul Needham, U. S. associate aquatic biologist of the bureau of fisheries; Dr. Frederick M. Hunter, chancellor of the state board of higher education, and Dr. Finley.

Dr. Finley will show motion pictures of wild life at the banquet.

Stanley Jewett, U. S. bureau of biological survey; E. E. Wilson, head of the Oregon game commission; and Frank B. Wire, state game supervisor, will constitute Saturday morning's session.

The final session Saturday afternoon will include talks by William Smith, president of the Oregon wildlife federation, and Dr. Finley. The session will close with general discussions by members of the federation.

Anyone who wishes may attend.

'Wildlife' Men Will Speak at Banquet

Dec. 7, 1939 884

Dr. Frederick M. Hunter, chancellor of the state board of higher education, is a featured speaker at the annual Oregon Wildlife federation banquet in the Memorial Union at 6:30 o'clock Friday night.

Others prominent in their fields to appear on the program are Dr. P. R. Needham, United States associate aquatic biologist of the bureau of fisheries; Frank B. Wire, state game supervisor; and Stanley Jewett of the United States biological survey.

Nationally known wild game pictures by Dr. W. Y. Finley, vice president of the American Wildlife federation, will be shown. The public is invited.

Wildlife

Session

Dec.

The annual Wildlife Federation registration is being held at 10 o'clock on Tuesday at the home of Dr. George W. Finley, 1000 N. Commercial. The opening session will be held at 11 o'clock.

SPEAKER

W. L. FINLEY

"OREGON'S FOREMOST NATURALIST"

Mr. Finley knows BIRDS, ANIMALS and FISH as few men do. Many of you have heard or read about him but have not had an opportunity to hear him talk. Mr. Finley goes back east each year on the Atlantic Seaboard to lecture on WILD LIFE and CONSERVATION OF FISH.
