The
**PORTLAND
 EXECUTIVES**
 extend their welcome to a
 new vacation time with an
OUTDOOR PROGRAM
 inside the Multnomah,
 featuring

WILLIAM L. FINLEY,

nationally known lecturer, author, & naturalist.
 He will address us on the subject "Our Heritage
 ~ Forests and Streams." He will also show two
 reels of Outdoor pictures.

"Business is Good," but CLARENCE LANE is
 taking time off anyway to serve as
 Chairman of the Day.

The impossible is going
 to happen! Someone will
 draw a load of wood or sawdust
 out of a hat.

This will be one of the best
 programs of the year. It has
 therefore been designated as
 "Father and Son Day."

If you haven't a boy, bring a friend!
