Dear Mr. Finley:

At the recent joint meeting between the Advisory Research Council and the State Planning Board, it was decided to call a meeting of the Council in the near future.

There have been a number of changes in committee personnel during the past year and some chairmen may have found it expedient to reorganize their committees. If it is your desire to make any changes in the organization of your division, will you kindly send me the proposed reorganization and the names of any new members whom you may wish to have appointed?

It is necessary to prepare this revised list for the official records of the State Planning Board. We would like also to have this corrected list before sending out the call for a meeting of the Council. Whether you make any changes in your division or not, will you kindly send us a list of the members of your committee, its subdivisions and subcommittees, in order that we may check our list and have a complete mailing list?

We wish to take this occasion to thank you for your interest and co-operation in the past. We anticipate with confidence the continuation of this co-operation.

Yours sincerely,

Philip A. Parsons
